A 501(c)3 Non-Profit Public Charity FEIN# 83-1772602

Dear Business Owner/Manager,

The Rebel Riders Charities is embarking on a new program here in SWFL called “**Bikes for Kids**”. We have partnered with another 501(c)3 Charity Organization called **Together We Rise** to bring bicycles to **Foster Kids** here in the local community. Our goal is an initial purchase of at least 50 bicycles. We currently have an online fundraiser in process, as well as local fundraising events to raise the necessary funds. But, we are also looking for Corporate Sponsors as well.

We are asking for donations from Corporate Sponsors in whatever amount that they feel that they can contribute. Not only will these sponsors be able to enjoy knowing that they are helping these kids, but they will also have their company listed on our Bikes for Kids webpage on our website www.thebullyride.com with the listing being linked to their company website. We will also be giving shouts to all our Corporate Sponsors on our Social Media thanking them for their support.

My personal contact information is listed on the bottom of this request. Feel free to contact me with any questions that you may have.

Thank you for your anticipated support,
